Professional Summary:

5+ Years Experienced Senior .NET Software Engineer skilled in designing, developing, and maintaining applications using C#, ASP.NET, MVC, SQL Server, Web API, and REST API. Proficient in microservices architecture, Azure cloud services, and CI/CD processes. Strong in writing clean, testable code, debugging, and integrating new technologies. Adept at project management, team collaboration, and mentoring junior developers. Experienced in agile practices like SCRUM and documenting software processes.

Education:

MS in Computer Science. Woolf University,
2025 - 27 - Currently Pursuing
B.E in computer science and engineering,
Visvesvaraya Technological University, Belagavi.
2015 - 19 - CGPA: 6.88

Skills:

Proficient: .NET Core, MVC, MS-SQL, .NET Web API, Rest API, WCF, Entity Framework, Microservices, Microsoft Azure, Duck Creek Claims Configurator.
Familiar: C, Java, Angular JS 11, HTML, CSS, jQuery, JavaScript, Embedded C (IoT), Telerik UI, Python.
General: DS & Algo, OOPs, Arch Design Patterns, Git, CI/CD and SCRUM.

Experience:

1. Senior Software Engineer - Aurionpro Solutions Ltd. (Jun-2024 to Present)
 - FIS - Asset Finance (Enterprise & Rest API)
 - **Technical Design:** Developed and provided comprehensive technical design approaches for various projects, ensuring alignment with business requirements and industry standards.
 - **Development:** Led the development of key features, including the Contract Preview endpoint in REST API, enabling users to perform permutations and combinations on contracts before finalizing them. Implemented JWT Self-issue authentication to enhance security measures.
 - **Unit Testing:** Conducted thorough unit testing to validate code functionality and ensure high-quality deliverables.
 - **Documentation:** Created detailed documentation for development processes, features, and functionalities to facilitate knowledge sharing and future reference.
 - **QA Support:** Collaborated with QA teams to develop automation test scripts, improving testing efficiency and accuracy.
 - **Mentorship:** Mentored junior developers, providing guidance and support to enhance their technical skills and professional growth.
 - **Code Review:** Performed rigorous code reviews to maintain coding standards, optimize performance, and ensure code quality.
 - **Defect Fixes:** Addressed and resolved defects and bugs, ensuring smooth functionality and user satisfaction.
 - **SCRUM Methodology:** Actively participated in SCRUM ceremonies, including sprint planning, daily stand-ups, and retrospectives, to ensure effective project management and timely delivery.
2. Software Engineering Sr. Analyst - Accenture (Dec-2019 to Mar-2024)
 - HFC - Duck Creek Claims P&C (Chubb)
 - **Technical Skills:** Utilized C#, .NET, .NET Core, MVC, Web API, CI/CD, and Azure for development.
 - **Client Interaction:** Gathered client information and created design documents following SOLID principles and Design Patterns.
 - **Product Configuration:** Configured products based on regional requirements, including DLOB, PACPL, coverage mappings, and claim codes.
 - **UI Enhancements:** Enhanced claim search UI using AngularJS, adding filters like LOB, claim status, and vessel name.
 - **Code Review:** Acted as primary code reviewer, raising pull requests.
 - **Mentorship:** Mentored junior team members and conducted knowledge transfer sessions.
 - **Web API Project:** Created and hosted a Web API project for Multi TCF functionality.
 - **Application Setup:** Set up applications on IIS servers for EMEA P&C SIT, UAT, PERF, and PRO.
 - **CI/CD Enablement:** Enabled CI/CD for EMEA by updating YAML files.
 - **Managed Releases:** Supported APAC (Hong Kong, Singapore, Australia) and EMEA (UK, Ireland, France, Germany, Austria) regions.
 - **Product Tool Upgrade:** Upgraded product setup tool for EMEA by writing stored procedures.
 - **TDD Practices:** Followed TDD practices, writing unit tests.
 - **Integration:** Integrated with third-party applications using Web/Rest API and WCF.

Awards and Certification:

- Super Squad Award FY24 Q2! (Aurionpro)
- Recognized as an ACE winner in FY23 Q3! (Accenture)
- Best Performance - Accenture in India Jul 2022. (Accenture)
- Core Values || Respect for the Individual - Accenture in India Feb 2022 (Accenture).
- Duck Creek Claims Configurator Certification [Duck Creek University].
- AZ-900 Microsoft Azure Fundamentals.

Declaration:

I hereby declare that all the information is true to the best of my knowledge.
